

THE RISE OF ESPORTS EDUCATION

2018

HIGHER EDUCATION

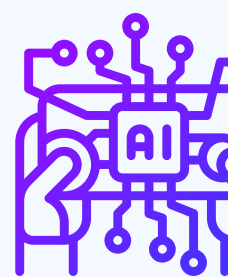

The UK's first university level esports specific degree (British Esports 2017).

2020

THE WORLD'S FIRST

British Esports Association partners with Pearson to offer the world's first BTEC qualification in esports (British Esports 2021).

2021

HIGHER NATIONAL BTEC

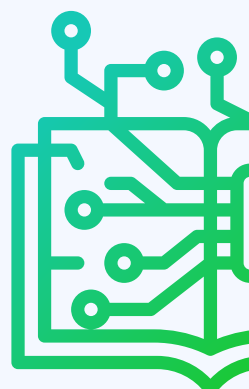

Approx. 1500-2000 esports students studying at 160 centres across 8 countries (British Esports 2021).

2024

BTEC QUALIFICATIONS

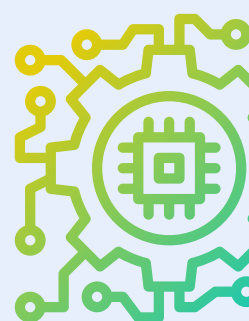

Pearson and British Esports launch the first internationally recognised Higher National BTEC Qualifications in Esports (British Esports 2024b).

2024

HIGHER EDUCATION

The UK now boasts more than 40 university esports courses offered by 15 providers (British Esports 2024a).
